Holding forth the word of life

Senior Department Promotion Sunday

In Singapore, we live in a fast paced environment and are in danger of losing ourselves and our students to the world. Whilst we try as much as possible to stay connected, sometimes we lose focus.

The Sunday School's advantage is that it incorporates both systematic instruction and study of God's word, and also provides an avenue for fellowship, both of which help us in our walk with God. Lest you think that Sunday School only benefits the students, let me share with that we as teachers benefit too. Not only is Sunday school an avenue where we can serve God, we benefit the most when we prepare each week's lessons and learn the precious lessons from God's word which we then impart to our students.

Besides the individual classes which facilitate good interaction amongst students and teachers, our once a month Open Sunday meetings provides an opportunity for us to meet corporately to hear a message by a guest speaker based on the theme for the year.

This year, our theme is "Living For Jesus". Whilst the idea of living for Christ may not be new to most of us, we who are sinful creatures often need reminders. It is our prayer that we will continue to strive to be living epistles for Christ, and that through our lives, others may come to know the Saviour too.

We warmly invite you to come and join us every Sunday as we study the Word of God together. Please find in this newsletter the details of the individual classes, as well as the schedule of topics for the Open Sundays for the rest of 2012. Do contact Mark Liu at 9667-4268 or post2mark@yahoo.com for further information.
